DON BOSCO CENTRAL SCHOOL: A Home away from home

The Salesian School run by the Salesians of Don Bosco, is a Catholic Minority School for the poorer people. We strive to achieve the total development of our youngsters and to make them persons of faith and honest citizens.

We follow the preventive system of St. John Bosco, which is based on reason, religion and above all, loving kindness. It brings together educators and youngsters in a family experience of trust and dialogue.

Focussing on local needs and working together with our youngsters, we seek the collaboration of all (young people, adults, parents and educators, laity and religious) to respond to the youth situation, in communion and sharing, in the spirit and mission of Don Bosco. The Salesian School is an agent of justice and peace in the society.
