HURRY!!!!

The students are the very reason for the existence of our school. They are the greatest testimony to the strength of the school's programme. One of the great strengths of Don Bosco Central School Manjeshwar is the continuing commitment of the past pupil body to the school. The past pupils have always rendered their support, encouraged the new initiatives of the school and thus continue to play an active role in the progress and development of the school.

Here are few names along with their achievements. They should have been part of the global Don Bosco School network at some stage of their lives.

DON BOSCO

OUR PATRON

John Bosco (1815-1888) popularly known as Don Bosco, was a Roman Catholic priest born in a little village at Becchi in northern Italy. By hard work and persevering efforts, he decided to dedicate his entire life for the welfare of youth. In 1859 he founded the Salesian Congregation. His ideas were so far in advance of his times as to be revolutionary. His methods were novel as they were daring. He followed what is widely known as "Preventive System of Education" based on reason, religion and kindness. He would always say "It is not enough to love the young. They must know that they are loved". Don Bosco was canonised in April 1934.
